

Basalte shows Eve mount for new iPad Pro 10.5"

Basalte introduces its wall mount for the new iPad Pro 10.5". Eve is precision machined from a single block of aluminum, with a design that only adds the bare minimum to the iPad's iconic design.

Eve Pro 10.5" is the latest addition to Basalte's range of minimalist wall & table mounts for iPad & iPod touch. Installation is very easy, only requiring two screws. Together with the optional security and charging features, every user can create a solution that fits his needs and is installed in no time: whether it's for a kitchen, hotel lobby or company meeting room. For glass walls, Basalte also offers a custom glass mount kit.
