

Basalte announces Award winners at Light+Building

Winning projects are from Germany, China, UK & more

Belgian smart home manufacturer Basalte announces the winners of the Basalte Awards. They recognize the world's best projects that feature Basalte products and stand out because of their strong integration and exceptional design. The laureates are honoured at Light+Building in Frankfurt, Germany: the biggest lighting & home control show in the world.

The Basalte Awards give certified Basalte integrators an opportunity to showcase their finest projects to a global audience. It honours projects that boast great usability, beautiful design and high-quality finishes, all achieved by using Basalte products.

With participants from all over the world, this year's edition was highly contended. The outcome accordingly highlights how globally Basalte products are used, as there are Basalte partners in more than 60 countries!

- DJ House – HobaPlan (Germany)
- Nan Xuan Home – Henan Basa Intelligent Technology (China)
- Beau House – Sagar Smart Homes (United Kingdom)
- The Field House – FD Tech (Poland)
- OSNLES House – Life Emotions (Portugal)

At Light+Building, Basalte dealers discovered Basalte Home: the new visualisation to take KNX-projects to the next level on all fronts: design, functionality, usability and flexibility.
